ITSF Event: The World Championship Series is a sanctioned ITSF Points Race event and the top three players in Open Singles and the winners of Women's Singles and 18 & Under Singles will get an expense paid trip to the ITSF Championships again this year. This event is a true test of one's foosball skills, as you have to compete on at least three different tables against players from all over the world. It is a true world competition of players and table styles as well.

The Top 32 players and teams will enter Open Singles & Open Doubles, at the appropriate time depending on charts, and at that time all matches will be 3/5 winners.

You must be out of all events to play in Forward Shoot-out or Goalie War. • Pro Doubles must include at least one Pro and No Master.
