

...and so, for eight days, and
who knows how many knights...

8 Fantasy authors from 8 publishing houses will tour 8 West Coast cities for 8 days, motivating readers to explore a fantastic world of positive literature. Young or young at heart, take up your sword and shield and make merry with us in Seattle, Portland, San Francisco, Fresno, Reedley, San Diego, Sun Valley, or Los Angeles from October 4th thru the 12th. There will be swordplay, costumery by *RealArmorofGod.com*, autograph sessions, dramatic readings, give-a-ways, and more! Not in the West Coast area? Tell friends and family who are. Alert West Coast media contacts and let's prove the Christian community can work together to promote Christian books!
