

# Distributor Program

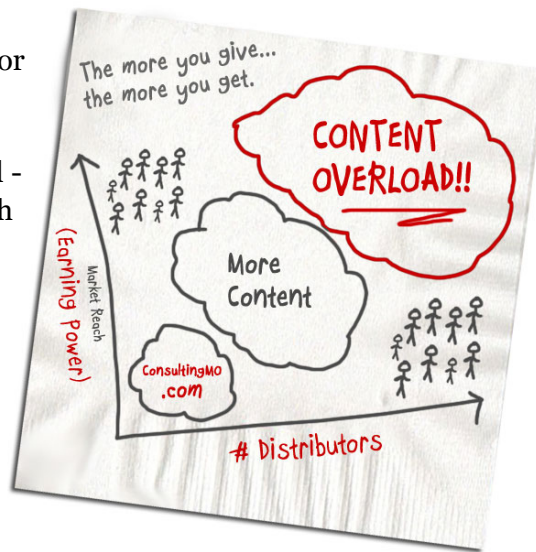

## Leverage your time, brand and expertise to grow your practice.

Build the practice you've always envisioned with the Consulting M.O. Certified Distributor Program.

It's not just a credential to hang on your wall - it's a platform to allow your business to reach its true potential.

- » **Monetize your existing IP.**
- » **Get your website in front of prospects.**
- » **Teach consultants around the world.**
- » **Build cash flow streams and annuities.**

Make your brand last. Access a continually expanding platform of content, tools, resources and training from our consultant ecosystem. Use in your practice under your own brand.

We're looking for smart consultants with expertise in any of the 29 subjects of our strategic marketing process (which includes sales, strategy, financial measurement, and all of the traditional and new marketing stuff.)

Founding Certified Distributors gain a choice of content, training and distribution channels.

Stop moving from project to project only trading hours for dollars and build lasting value.
