

DR. SMOOTHIE

100% crushed fruit smoothie concentrate

100% Freshness—

Dr. Smoothie has set the industry standard with our **100% Crushed Fruit Smoothie Concentrate**. We listened as our clients asked for a fruit puree with **no corn syrup**. Sweetened with the juice of apple, grape and pineapple, these special blends meet the USDA's 100% fruit requirements. A 16 oz. smoothie provides **over three servings of fruit!** Satisfy your customer's request for a healthy beverage.

DR. SMOOTHIE

100% crushed fruit smoothie concentrate

★ 100% Quality—

All fruits are not created equal. Dr. Smoothie travels the world to source only the finest vine-ripened fruit for our 100% Crushed Fruit Smoothie Concentrates. Unlike other smoothies, our shelf stable purees are made from the whole fruit, the skins, pulp and seeds, not strained fruit juices.

100% Flavor—

Flavor is what sets Dr. Smoothie apart from the rest. Dr. Smoothie carefully blends numerous varieties of fruit for a unique and satisfying taste experience. Try a Dr. Smoothie today and taste the difference quality fruit can make.

100% Nutrition—

Dr. Smoothie is more than just great taste. Everything Dr. Smoothie does has a healthy twist to it. We have carefully chosen a panel of vitamins and minerals with a specific focus on super-antioxidants which provide excellent support for the body's immune system.
