

**Iris' Marnie Ratner Selected for ALSP Nominations Committee
eDiscovery Consultant Helps Select Next Board of Directors**

CHICAGO, Illinois, October 6, 2008 — Iris Data Services, a leading provider of eDiscovery solutions, announced today that Marnie Ratner, their lead eDiscovery Consultant in the Chicago area, has been appointed to the Nominations Committee of the Association of Litigation Support Professionals (ALSP). The ALSP nominations committee promotes future progress of the organization by cultivating leadership and overseeing the nominations process of the ALSP Board of Directors in accordance with governance best practices. Iris Data Services is a leading supplier of electronic discovery solutions including tape restoration, computer forensics, eDiscovery, and online review utilizing their *IView* review platform.

About Marnie Ratner

Marnie Ratner has over 15 years of litigation support experience and is currently an Electronic Discovery Consultant for Iris in their Chicago office. Previously Ratner worked as a Senior Litigation Support Consultant for Merrill Corporation. Prior to moving to Chicago, Marnie worked in San Francisco as a Litigation Support Manager at Bingham McCutchen LLP, and then at Kirkland & Ellis LLP.

About ALSP

The Association of Litigation Support Professionals is the only organization whose members comprise the full range of individuals involved with litigation support: litigation support managers and analysts, attorneys, paralegals, technical support staff, consultants, software developers and judiciary. With a mission to establish global standards for the litigation support profession through collaboration, education and certification, ALSP is dedicated to advancing the profession and contributing to the career development of practitioners around the world. For more information about ALSP and its activities, visit www.alsponline.org or contact ALSP headquarters at info@alsponline.org, 800-430-6651 or 312-321-5168.

About Iris
