

Abso® Named One of Region's Fastest Growing Companies
Rapid Growth Fueled by Leading-Edge Web Technologies and Personalized Services.

Roseville, CA (PRWEB) October 15, 2008 -- Abso, a leading provider of integrated talent management solutions, has been named one of the "100 Fastest Growing Companies" in the Sacramento region by Sacramento Business Journal. Abso's rapid growth has been fueled by leading-edge web technologies and personalized services that help human resources departments find the best talent more quickly.

"Throughout US industries, HR groups need to act quickly to hire the talent that will elevate workforce competitiveness. At the same time, those HR groups are being pressed to work more efficiently with fewer resources. Large and small companies around the country are turning to Abso's innovative technology solutions to help focus their energy on the strongest candidates," stated David Dickson, Vice President of Market Operations at Abso.

Abso grew 76% between 2005 and 2007, earning their position among the region's top-performers. The Sacramento Business Journal's annual ranking includes companies with headquarters in Sacramento, El Dorado, Placer, or Yolo counties with at least \$200,000 in revenue and a minimum 9-month history during the base year.

"Web-based automation is a key strategy for companies looking to reduce overhead and improve flexibility. While the software-as-a-service concept is growing rapidly, Abso's strong growth has been augmented further by the expert personal service we combine with leading technology. We're honored to be included among the region's strong performers" Dickson added.
