*ADSS Global Makes the President's Circle for the Second Consecutive Year*

Exton, PA—October 29, 2008—ADSS Global, a Sage Software business partner specializing in the sales, installation and support of Sage Accpac ERP and SageCRM, has been named to Sage Software's Million Dollar Club for the past fiscal year (October 1, 2007 to September 30, 2008). ADSS Global received this honor for achieving over one million dollars in sales for the Sage Accpac product line, adding to the company's impressive showing again this year as a Sage Software President's Circle Winner.

Million Dollar Club honors are given to top ranking business partners who have exceeded one million dollars in business across Sage Software's product lines and solutions groups—including Business Management Division (BMD) (Strategic and Value Accounting, Sage FAS, and Sage CRM Solutions), and Industry & Specialized Solutions Division (ISSD) (Construction and Real Estate, Employer Solutions, and Non-Profit Solutions).

"Sage Software business partners continue to succeed with superior service and support, and a relentless focus on the customer," said Nina Smith, Sage Software president, Business Management Division. "Our Million Dollar Club achievers know what it takes to win, delivering the solutions and customer service that help both them and their clients succeed. We congratulate ADSS Global this year for their impressive achievement and wish them continued success in 2009."

"Our firm is committed to delivering effective and efficient business management solutions to our clients—solutions that address real-world business challenges. This award is evidence that we're achieving that goal."
