SyncSite, a Premier CRM and Business Intelligence Solution Provider, is Recognized for Outstanding Performance

Birmingham, AL—October 30, 2008—SyncSite, a Sage Software business partner specializing in the sales, installation and support of Sage SalesLogix, SageCRM, and SageCRM.com has been named a Sage Software President's Circle Winner based on their outstanding performance during the past fiscal year (October 1, 2007 to September 30, 2008). This marks the fourth time in five years that SyncSite has achieved this status.

The prestigious President's Circle designation is awarded to partners representing sales leadership for each of Sage Software's product lines and solutions groups. SyncSite made the President's Circle by ranking the highest in the Platinum Product Sales Tier, where the company was top overall in total product revenue for SageCRM and Sage SalesLogix.

"Sage Software business partners continue to succeed with superior service and support, and a relentless focus on the customer," said Nina Smith, Sage Software president, Business Management Division. "Our President's Circle achievers know what it takes to win, delivering the solutions and customer service that help both them and their clients succeed. We congratulate SyncSite this year for their impressive achievement and wish them continued success in 2009."

"It is my proud pleasure to be included among this elite group of Sage Software business partners," said Nicholas Kyriazis, vice president of sales and marketing at SyncSite. "Our firm is committed to delivering targeted CRM and Business Intelligence solutions that our customers find real value in. This award is evidence that we're succeeding in that goal."

President's Circle winners will be honored at an official awards ceremony to be held at the lush resort destination of the Grand Hyatt Kauai Resort and Spa in Kauai, HI, January 29 - February 2, 2009.
