SWK Technologies Named A Gold Development Partner For Sage Software

MAPADOC EDI, an integrated EDI solution for Sage MAS 90 and Sage MAS 200, earns the Sage Certified Solution title.

Livingston, NJ—December 3, 2008—SWK Technologies, Inc. today announced that it has been named a Sage Gold Development Partner and its flagship software solution, MAPADOC EDI, has been named a Sage Certified Solution for Sage MAS 90 ERP and Sage MAS 200 ERP. MAPADOC EDI is a flexible, scalable, and highly configurable EDI solution that integrates with Sage MAS 90, Sage MAS 200, and Sage MAS 500.

Gold Development Partners are part of Sage's ISV (Independent Software Vendor) program, a program which promotes the development of integrated third-party solutions to complement Sage's award-winning brands. Sage Certified Solutions must pass rigorous testing by an independent testing agency ensuring they meet stringent integration, installation, and documentation standards.

"We built MAPADOC EDI to be the most tightly integrated, fully-functional EDI solution available for Sage MAS 90, Sage MAS 200, and Sage MAS 500 users," said Jeffrey D. Roth, CEO of SWK Technologies. "It is a mature product that we continually refine to meet the needs of today's businesses. When our customers and business partners choose MAPADOC EDI, they can be confident that they are investing in a solid solution backed not only by SWK, but endorsed by Sage in the form of this certification."
