As lead vocalist and frontman of PETRA during that band's rise to the forefront of the CCM scene, **Greg X. Volz** is widely recognized as one of the genre's founding artists. With over **7 million albums sold**, numerous #1 singles, **3 GRAMMY® Awards** and multiple **Dove Awards**, Petra's fusion of pop and arena rock with a positive message propelled the band to worldwide acclaim and induction into the **Gospel Music Hall of Fame**.

GOD ONLY KNOWS, the new studio album from Greg X. Volz is a musical *tour de force*, produced with Petra bandmate **John Lawry** and featuring guests **Kirk Henderson**, **Will McFarlane** and former members of the CCM supergroup **Sonicflood**.

Fueled by the hard-rocking title track and airplay singles 'The Grave Is Empty', 'It's Love' & 'The Mirror', **GOD ONLY KNOWS** is an artistic masterstroke and refreshingly forceful statement from one of the true legends of Christian music.
