

KEVIN MAX

Crashing Gates (EP)

Heralded with accolades that range from 'the bad boy of Christian Music' to 'the next Peter Gabriel', Kevin Max is a maker of passionate, artistic alternative rock that eschews all stereotypes.

As the frontman for the wildly successful and innovative **dctalk**, Max has confronted boundaries with his music, in the process garnering 4 GRAMMY® Awards, 16 Dove Awards and worldwide album sales of over 10 million units.

As a solo artist, Max has continued his non-traditional journey, winning high acclaim for the releases *Stereotype Be* and most recently *The Blood*, and collaborating on a spoken word release with legendary guitarist Adrian Belew.

With *Crashing Gates*, his sixth solo release, Kevin Max again refines his music and message with a selection of urgently infectious - and intelligent - new statements from this singular artist.

LIVE DATES: *Crashing Gates* will be supported by a selection of US live dates, including: San Antonio, TX [12.06.08]; Dallas, TX [12.07.08]; Little Rock, AR [12.09.08]; Bakersfield, CA [12.13.08]. More dates TBA.

DIGITAL FIRST: *Crashing Gates* is the first Kevin Max release to be released exclusively in digital EP format in advance of a 2009 CD release.
