BCS ProSoft Selected as Intuit Solution Provider

Business Software Solution Provider, BCS ProSoft, adds QuickBooks Enterprise Solutions to its offerings.

San Antonio, TX—December 8, 2008—BCS ProSoft announced today that it has been selected as an Intuit Solution Provider. BCS ProSoft offers a full range of value-added consulting services for QuickBooks Enterprise Solutions® (www.quickbooksenterprise.com) developed by Intuit Inc., a leading provider of business and financial management solutions for small and mid-sized businesses, consumers and accounting professionals.

The Intuit Solution Provider Program will enable BCS ProSoft to better serve regional clients and build its business through the sale, implementation and service of integrated solutions. The program's lead offering, QuickBooks Enterprise Solutions, is a flexible and affordable business management solution designed specifically for growing businesses. The software helps businesses efficiently input, organize and access the information they need to manage finances, inventory, sales, purchasing and employees, and make key decisions for growth.

"We incorporated QuickBooks Enterprise Solutions into our offerings, as we believe it is a perfect fit for many small and mid-sized businesses across numerous industries," said Clark Haley, president of BCS ProSoft. "Intuit is a dynamic and energetic company and always on the cutting edge of new technologies. We are pleased to be able to partner with them and provide a competitively-priced solution to our clients."
