BCS ProSoft Selected As Deltek Vision Business Partner

Texas-based software solutions provider, BCS ProSoft, to offer Deltek Vision to project-focused businesses.

San Antonio, TX—December 17, 2008—BCS ProSoft, a leading business management software solutions provider, today announced that it has been selected as a Deltek Vision business partner. BCS ProSoft will be utilizing Deltek's Vision product suite to complement its current offerings, expanding the company's reach into professional service, architectural and engineering firms.

BCS ProSoft is a leading, full service provider of business management technology solutions to small and medium sized businesses throughout North America. The company strives to build mutually beneficial partnerships with clients, alliance partners, and suppliers that result in long-term, collaborative, and profitable relationships.

"BCS ProSoft has built a respected reputation by delivering state-of-the-art software solutions backed by outstanding customer support and industry expertise," said Taylor Macdonald, Vice President, Worldwide Channels and Sales Alliances for Deltek. "BCS ProSoft is a highly acclaimed business partner and we look forward to the solutions we will be able to offer together to the project-focused marketplace."

"Our partnership with Deltek allows us to offer solutions tailored to the needs of project-based organizations," said Clark Haley, president of BCS ProSoft. "The Deltek Vision product complements our current offerings well and we look forward to introducing it to our clients."
