

LuminOre Virtual Training

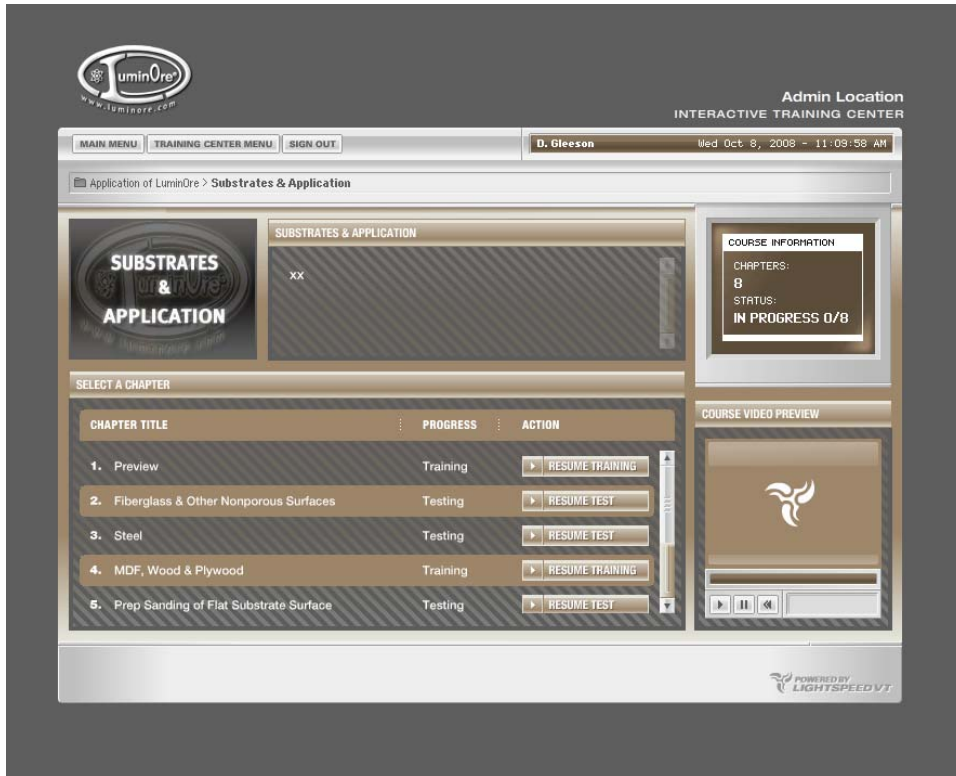

LuminoreVT.com

LuminOre's new Unique Interactive Virtual Training Center is one of kind, online, & available 24 hours a day 7 days a week. The VT contains in- depth technical training, interactive questioning, and Comprehensive reporting for management.

This user friendly interactive VT is your key to success with the LuminOre line of products.

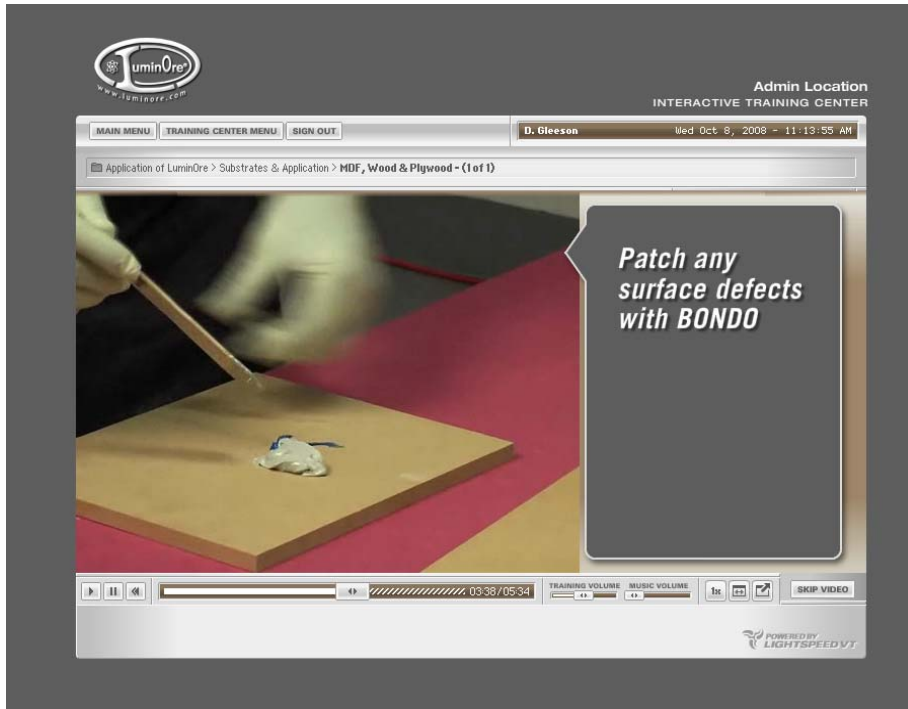

3 courses to easily breakdown the application process

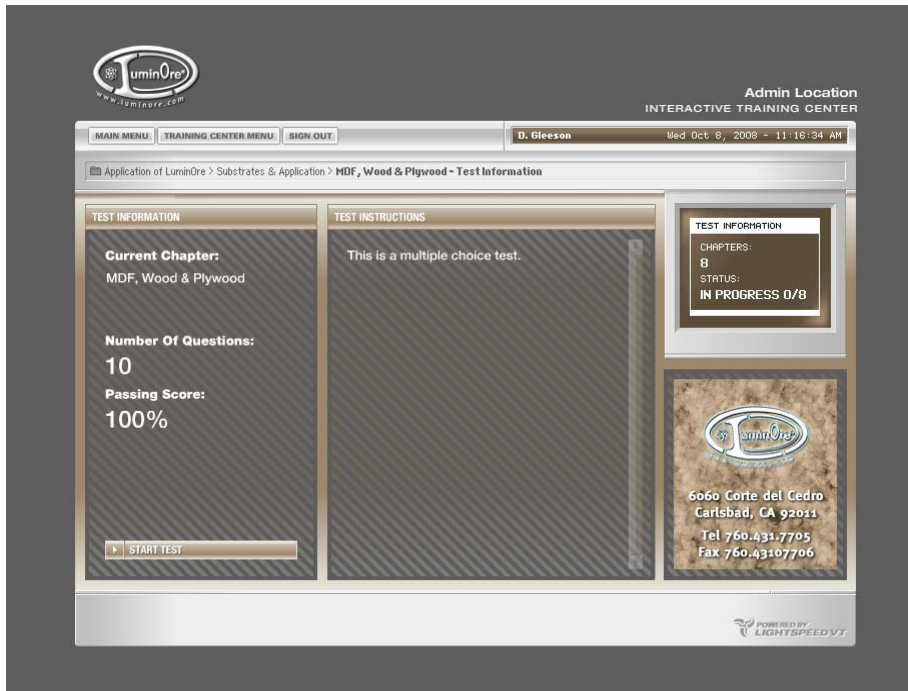

Each course has multiple chapters that contain short viewing segments

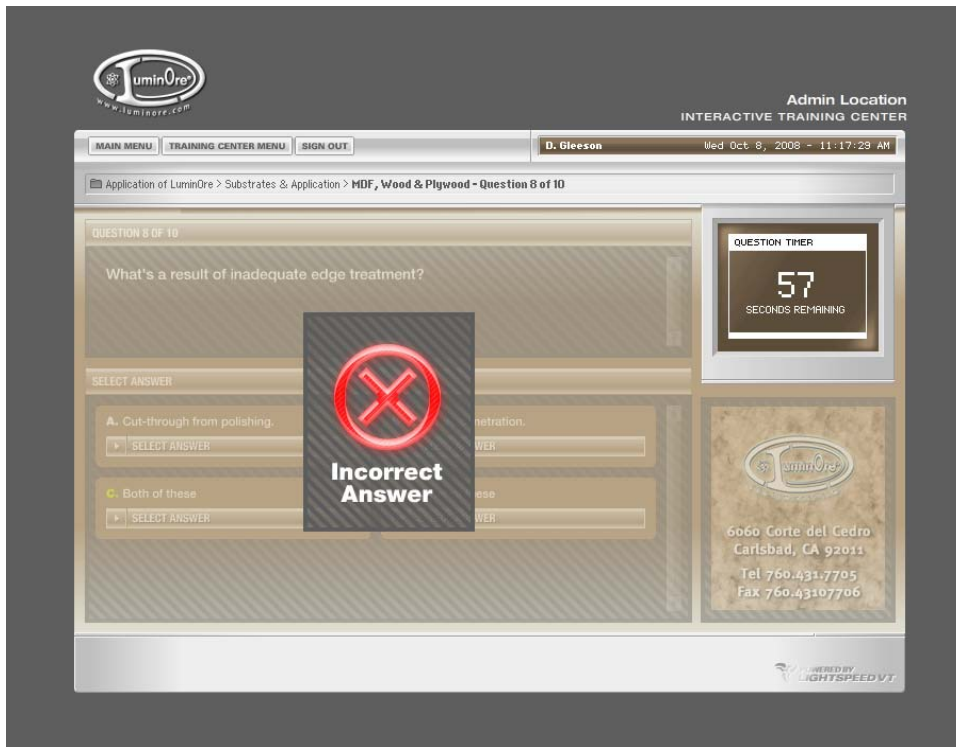

One of kind Product! One of a kind Training!

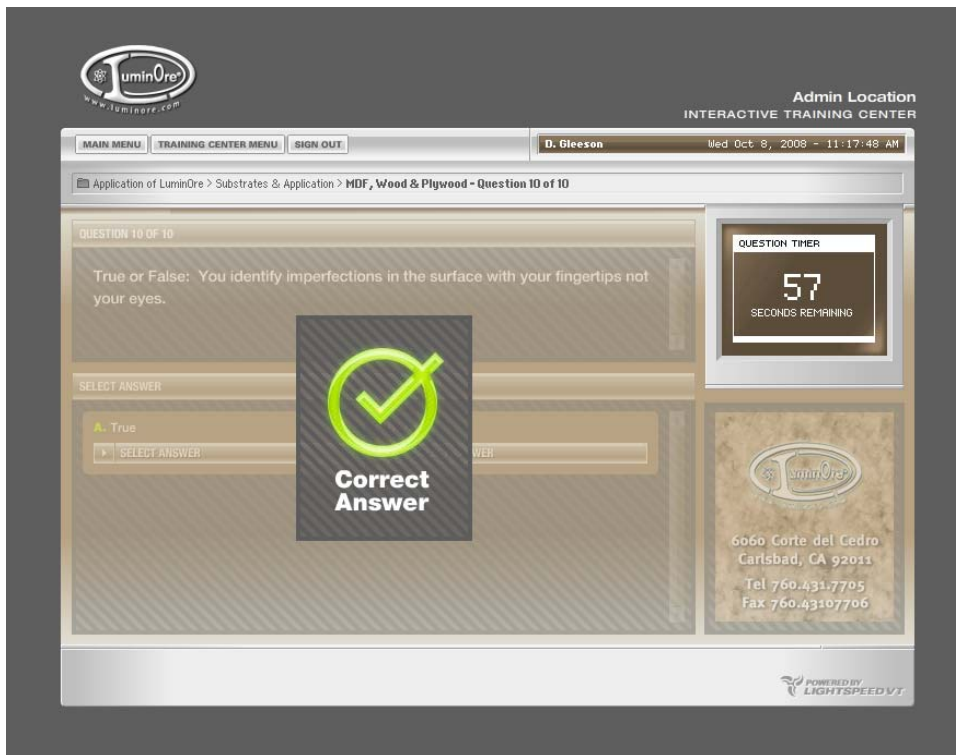

Hands on Shop video shows in-depth training techniques

After each viewing segment, a quiz will see how attentive you are

Some questions are tough

Some not so tough
