Campbell CA (PRWeb) February 3, 2009 -- Times are tight, but that doesn't mean your Valentine's gift has to look like you bought it at the local dollar store.

With PartyBeans.com, anyone can send a fun, fabulous, and one-of-a-kind Valentine's Day gift personalized with your full-color photo for less than \$5 including shipping anywhere in the continental US.

Here's how: Just go to [www.partybeans.com](http://www.partybeans.com), choose a fun container, and upload your own full-color photo. We'll fill it with your choice of JellyBellys®, including flavors like Very Cherry Red or Sizzling Cinnamon for Valentine's Day.

Orders ship next business day--and you'll have a personalized one-of-a-kind gift.

- Relive beautiful memories with full-color photos and personalized text.
- Low minimum quantities that won't break your budget. (You can order just one!)
- Easily design everything yourself online
- Order by 4pm PST, and we'll ship your order the next business day.
- The perfect Valentine's Day gift for that special someone.

Long after the beans are gone friends and family will treasure their special personalized containers—and remember the thoughtful person who gave it to them (that would be you). So bring a smile to the people you love and visit [www.partybeans.com](http://www.partybeans.com). Now, that's sweet.
