

# Dolby® Digital Stereo Creator

Dolby® Digital Stereo Creator allows users to author DVDs with Dolby Digital stereo soundtracks.

It is also highly efficient, preserving disc space for better pictures and sound or longer recording times.

DVDs recorded with Dolby Digital Stereo Creator can be played on most DVD-Video players, so they can be easily shared with friends and family.

## Dolby Digital Stereo Creator

---

CREATE EXCITING SOUNDTRACKS IN DOLBY DIGITAL STEREO SOUND

---

AUTHOR DVD<sub>s</sub> THAT WILL PLAY BACK ON MOST DVD-VIDEO PLAYERS

---
