Thomas Ross Associates Achieves Record Sales in 2008 And Is Named to Sage Software President's Circle

Leading Midwest Sage Abra HRMS Business Partner Receives Prestigious Sales Award

Medina, OH—March 6, 2009—Thomas Ross Associates, Inc., a Sage Software business partner specializing in the sales, installation and support of Sage Abra HRMS software, has realized one of the company's highest achievements by being named to the Sage Software President's Circle Winner for their outstanding performance during the last fiscal year (October 1, 2007 to September 30, 2008).

"We are honored to be included in the Sage Software's President's Circle. We would be remiss, however, if we failed to recognize our clients as the true beneficiaries," said Tom Ross, president of Thomas Ross Associates. "Together and in this terribly challenging economic environment, we have used Sage Abra HRMS to create payroll, benefits, training, recruiting and compliance solutions to meet new reporting requirements, maintain employee morale, and drive down costs.

"Our central mission is to deliver cost-saving efficiencies and tangible results based on powerful solutions through Sage Abra HRMS. We are thrilled to be named one of the top Sage Software partners in the country and we are proud to be associated with an organization like Sage Software that values its clients and business partners."

The prestigious President's Circle designation is awarded to partners representing sales leadership for each of Sage Software's product lines and solutions groups. Thomas Ross Associates made the President's Circle by achieving Top Product Growth in the Sage Abra HRMS product line.

"Sage Software business partners continue to succeed with superior service and support, and a relentless focus on the customer," said Nina Smith, Sage Software president, Business Management Division. "Our President's Circle achievers know what it takes to win, delivering the solutions and customer service that help both them and their clients succeed. We congratulate Thomas Ross Associates for their impressive achievement and wish them continued success in 2009."

President's Circle winners were recognized for their achievements in January, 2009 in Kauai, HI.
