

DIAL LOVE

GOD'S PLANETARY GUIDE FOR ATTAINING HAPPINESS THROUGH SPIRITUAL FULFILLMENT

ABOUT THE AUTHOR

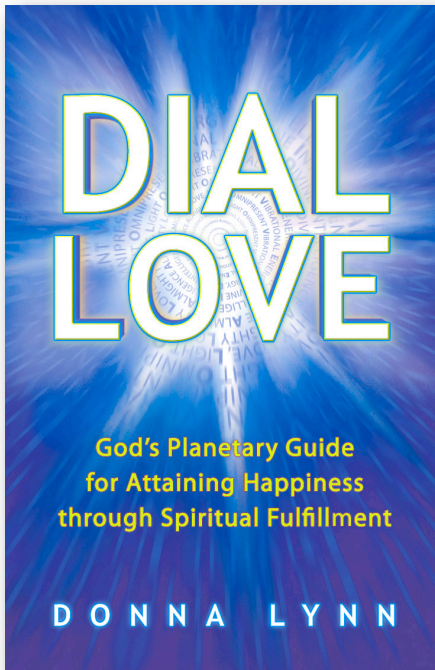

Donna Lynn was born and educated in Toronto, and in the 1980's realized her dream of becoming a commercial pilot. Although this was fulfilling, her perception of a greater purpose and opportunity combined with life's lessons led her to question her divinity. Her journey inspired her to become an educator of spiritual truths.

The writing of DIAL LOVE gave her the opportunity to share God's message— "Attain happiness through spiritual fulfillment".

Donna's goal is to offer this new work to everyone so they can clearly see *their* light and realize their divine potential.

Donna Lynn continues to educate and speak about the Universal Laws and the practical application of Dial Love during her many workshops and speaking engagements.
