Fair Trade at Work

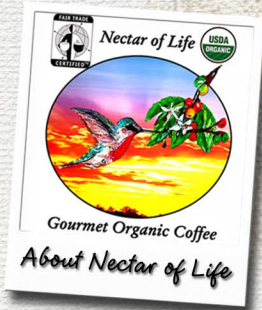

It's About the Soil

It's About the Coffee

It's About the People

Nectar of Life Coffee Company is the Inland Northwest's first 100% kosher, organic, and Fair Trade certified coffee roaster. We are partnered with Catholic Relief Services (CRS) Fair Trade and donate a percentage of sales to the CRS Fair Trade Fund. 100% of monies donated to the CRS Fair Trade Fund go to help disadvantaged farmers and artisans throughout the world. Fair Trade assures that farmers receive a fair wage for their hard earned crop. With enough money to maintain their crops Fair Trade farmers are able to invest in their farms resulting in outstanding coffees. By only purchasing certified organic Fair Trade coffees Nectar of Life promotes social justice and environmental stewardship.

Only the finest Arabica, organic, Fair Trade coffees are used to craft Nectar of Life's exquisite blends. Nectar of Life currently source coffees from the following countries: Bolivia, Colombia, Costa Rica, El Salvador, Ethiopia, Guatemala, Mexico, Nicaragua, Papua New Guinea, Peru, Sulawesi and Sumatra Indonesia. All blends are developed by Master Roaster and Cofounder, Martin Jennings. Coming from the wine industry, Martin has used his years of winemaking experience and extensive sensory training to become a master of coffee blending. Nectar of Life is simply the finest kosher, organic Fair Trade coffee available.
