five

Summary

DISCOVER ICE CREAM...UNPLUGGED!

We've all appreciated the purity and simplicity of an "unplugged" concert where the singer's true voice and natural talent shine. The Häagen-Dazs® brand matches that experience with the introduction of the Häagen-Dazs Five Series... all-natural ingredients...pure taste. Each unadulterated flavor is focused on the simplicity and goodness of five simple ingredients. Those interested in clean label products will be thrilled with this superpremium ice cream, now available nationwide.
