

## Abso Honored at SARTA Tech Index Celebration

Roseville, CA – March 23, 2009 – For the sixth straight year, Abso, a leading provider of web-based talent acquisition and screening software, has been included on the SARTA Tech Index and will be honored during the 2009 SARTA Celebration this month. The SARTA Technology Index, aka Sacramento Tech TRAQ, measures the health of the Sacramento economy by tracking the performance of the top 50 high tech and life science companies in the region. Abso, headquartered in Roseville, California, has been included in the SARTA Tech Index since 2003.

Since 2000, Abso has been helping human resources managers to efficiently identify, qualify and hire the best talent. Over 3,500 customers, from Fortune 100 firms to small businesses, turn to Abso's web-based employee screening solutions and talent management software to streamline the hiring process and reduce costs and improve efficiency. Abso combines HR software solutions with personalized service to help human resource management minimize the risks of a bad hire, help ensure compliance with employment law, and improve employee retention.

Abso has been growing since 2000, expanding product offerings beyond employee screening solutions to include integrated talent management software and human resources tools specialized for vertical markets, including healthcare, aviation, and gaming.
