Corporate Services Receives National Recognition

Management Action Program (MAP) recognizes Corporate Services with Presidential Award

Baton Rouge, LA – March 31, 2009 – Corporate Services LLC, developers of TrakQuip™ and RTMS, the premier equipment and rental software applications, is proud to be a two-time recipient of Management Action Program (MAP), Inc.'s elite Presidential Award.

The MAP Presidential Award is an annual recognition of companies that have achieved business growth and profitability by utilizing the MAP Management System™. Corporate Services was selected based on the implementation of the MAP system throughout their organization, improvements of factors that contribute to sustainable business growth and the establishment of clear and effective leadership. Corporate Services has sustained their success over multiple years by choosing to be proactive, improve leadership and create a culture of accountability while motivating and rewarding employees.

"It is gratifying for me to work with Corporate Services," said MAP senior consultant and Corporate Services' business coach, Jim Wichterman. "They exemplify the sustained success that the MAP program helps businesses create. I am thrilled they have achieved this recognition a second time."

"We believe in the MAP program," said Michael Saint, president of Corporate Services. "Our financial results are a clear indicator that the process works. Both MAP and Jim have provided us with the foundation and tools we need to be successful. We are honored to be a two-time recipient of the Presidential Award."

Management Action Programs, (MAP - www.mapconsulting.com), is a 49-year old leadership development and business-consulting firm that has accelerated sustained growth for over 13,000 companies and 160,000 executives. The MAP Management System™ includes monthly meetings to be sure strategic initiatives are implemented and refined at all levels of the organization while following a defined and proven methodology.
