

PORTABLE EMERGENCY O₂ MANIFOLD

OXYGEN FOR EIGHT

©2008 Western Medica

Western's new Octi-FLO₂™ oxygen manifold delivers portable convenience for Mass Casualty Response (MCR) Teams, EMS or triage situations. The lightweight system features our QuickClick™ click-style flowmeters to let you quickly lock into your exact flow from 0-25 lpm for up to eight patients.

- Pressure gauge on manifold
- Standard DISS inlet and 100 psi relief valve as a safety feature
- 4 nasal cannulas, 8 breathing masks and a compact carrying case included
- High quality craftsmanship for years of dependable service
