## CALIFORNIA FORECLOSURE REPORT METHODOLOGY

Rankings are based on population per foreclosure sale. **NOD** indicates the number of Notices of Default that were filed at the county, and **NTS** indicates filed Notices of Trustee Sale. **Sales** indicates the number of properties sold at foreclosure auction. Percentage changes are based on monthly Sales. The data presented by ForeclosureRadar is based on county records and individual sales results from [daily foreclosure auctions](#) throughout the state – not estimates or projections.

## ABOUT FORECLOSURERADAR.COM

ForeclosureRadar is the only web site that tracks every foreclosure in California with daily updates on all foreclosure auctions. ForeclosureRadar features unprecedented tools to [search, manage, track and analyze preforeclosure, foreclosure auction, short sale and bank owned real estate](#). The web site was launched in May 2007 by Sean O’Toole, who spent 15 years building and launching software companies before entering the foreclosure business in 2002 where he successfully bought and sold more than 150 foreclosure properties. ForeclosureRadar is an indispensable resource for real estate agents, brokers, investors, lenders, mortgage brokers, attorneys and other real estate professionals specializing in the California real estate market.
