For Immediate Release:

Aberdeen Enters Israeli Server Market Signs Channel Partnership Deal with Militram Corporation

Santa Fe Springs, CA, USA, April 16, 2009 – California based server and storage manufacturer, Aberdeen LLC, is pleased to announce the signing of Militram Corporation to open the Israeli server and storage market. As an eighteen year veteran of the server market, Aberdeen offers award winning lines of general purpose and [high performance servers](#), [storage servers](#) and [network attached storage appliances](#).

Under the terms of the agreement, Militram, one of Israel's largest representative organizations, will add Aberdeen products as a natural complement to its existing offering of ruggedized servers. Militram is highly successful with penetration into industrial, government and OEM environments.

"As announced earlier this year, Aberdeen has gone global, and is very excited at the prospect of having Militram in place to begin approaching the Israeli market," says Jack Tateel, Executive VP for Aberdeen. "We are dedicated to innovative ideas that provide value such as; highly scalable storage systems, VMware virtualization and in the near future, flash-based solid-state disk (SSD) drive systems."

Aberdeen's products represent formidable competition to current market-share holders, IBM, Dell and HP by delivering price and performance advantages. Unlike the current market-share holders, Aberdeen provides premium reliability backed by an unparalleled 5-year warranty.

Availability and Support:

Militram has already begun the Aberdeen product line roll out. They are scheduling marketing activities and product seminars in the coming quarter. For additional information on Aberdeen LLC and its products visit its website, www.aberdeeninc.com, or contact an Aberdeen Account Executive at 800-552-6868 or internationally at +1 562-699-6998.
