Shleppers Supports March for Babies!

New York's top mover donates time, trucks, and three days of service to highly successful Westchester March for Babies charity walk in April 2009

NEW YORK, NY – Top New York moving company **Shleppers Moving & Storage**

(www.Shleppers.com) is proud to announce its recent donation of time, trucks and support to the March of Dimes **March for Babies® Charity Walk** at Saxon Woods Pool in White Plains, New York, from April 24 through the main Walk event on April 26, 2009.

The premier fundraising event from the March of Dimes, March for Babies® benefits all babies -- those born healthy as well as those who need help to survive and thrive. This year, for the Walk event in White Plains, Shleppers donated a variety of services in support of the worthy cause from beginning to end. On April 24 and 25, Shleppers' expert movers loaded trucks for the charity, unloaded tables and chairs for the event, set up tents, and helped to hang signage and banners around the event vicinity. On April 26, for the Walk event itself, Shleppers personnel assisted by handing out water and stacking trucks, and set up a Shleppers tent from which they also gave away Frisbees, T-Shirts, umbrellas, and more. The Westchester March for Babies Walk event was a huge success, attracting more than 4,500 walkers, sponsors and volunteers, and raising over \$750,000.

"All of us at the March of Dimes want to extend our deepest gratitude to the Shleppers team for the exceptional job done with the logistical setup, breakdown and route coordination for the 2009 March for Babies Walk held at Saxon Woods Pool in White Plains, NY," comments **Annette Trotta**, Executive Director for the March of Dimes Northern Metro Division. "In my 10 years of experience with the March of Dimes, the site and route setup and breakdown were executed in the most timely and efficient manner in my memory. The fact that Shleppers donated these services saved our organization thousands of dollars. Many thanks to the entire Shleppers team for a job well done, and for helping the March of Dimes in its mission to prevent birth defects, premature birth and infant mortality. Their donation of services truly helps us come closer to achieving this mission."

“We were privileged and delighted to take part in supporting the March for Babies this year,” comments Shleppers President **Jason Friedland**. “As a father with three healthy babies, I know how precious that is, and it’s not something I take for granted. At Shleppers, we want to do whatever we can to help keep babies healthy, and were proud to support the March for Babies event in Westchester this year with our people and trucks – it’s a truly worthy cause.”

About Shleppers Moving & Storage

Founded in 1978, Shleppers Moving & Storage began moving with one van and one vision -- to serve its customers with commitment and integrity. By working in partnership with customers, these leading New York movers have earned a reputation as New York’s number one moving and storage company, offering a wide range of relocation services, including local, long-distance, and international moving, packing, unpacking, and private storage. With dedication, teamwork, and innovation, Shleppers is an NY moving company that puts customers first, creating a moving experience that’s efficient and reliable from the first box to the last. About March for Babies

The March of Dimes is the leading nonprofit organization for pregnancy and baby health, and is there for all babies. Now in its 39th year, the March of Dimes walk event was the first in the country, and last year the charity raised nearly \$110 million dollars nationally to support programs of research advocacy, community programs and education. With chapters nationwide and its premier event, March for Babies[®], the March of Dimes works to improve the health of babies by preventing birth defects, premature birth and infant mortality.
