

## Top Dog Trading Courses

This is a summary of the Top Dog Trading Courses created by expert professional trader Dr Barry Burns.

### Course 1: [Market Cycles and Trend Trading Course](#)

This trading course teaches you the basics of market cycles and trend trading, and provides the foundation for all of the more advanced techniques taught in later courses. This course teaches you how to time the market with precision so you can trade profitably and worry free with crystal clear entries and exits.

### Course 2: [Momentum Trading Course](#)

This course takes you to a new level in trading skills by understanding momentum, once you see how this works you will never trade again without it. Momentum is one of the very few leading indicators of future price movements.

### Course 3: [Swing Trading Course](#)

The swing trading course is a no brainer for anyone who has already taken course 1 and 2, swing trading is rapidly becoming one of the most popular trading styles used by many traders. This course will give you a top class education in how to swing trade like a professional.

## Special Trading Reports

This short series of [special trading reports](#), in PDF format, reveal some trading sights and tricks that usually only professional traders would know about:

Trading Tricks: Learn trading tricks that professional traders use daily to give them an edge

Taking Out Stops For Profit: Learn the truth about trading stops and how to profit from them

How To Avoid Choppy Markets: This is one of the biggest secrets to becoming a good trader

## Free Video Trading Course and Articles

### [Free Trading Video Course](#)

In this free course you get a lot of very good trading education that could easily be sold for \$99, including the now famous Rubber band Trade Setup that you really don't want to miss.
