There are many children right in your own community who have never had the opportunity to see their favorite pro sports star. They haven't experienced the joy of cheering for their team, or being inside of a baseball stadium.

These are simply luxuries that many of us take for granted.

MyTicketIn.com is committed to providing fun experiences every child deserves! With each and every ticket you purchase, you will be sending a child in need to a pro sports game.

Working with organizations, we will be providing unforgettable experiences for children. All of this, will happen because of your ticket purchases with MyTicketIn.com.

For more information, to nominate a child, or children's group please email us at: give@myticketin.com
