Philly Cases Introduces New Online Buying for Shipping Cases on Revamped PhillyCase.com Website

Philly Case now offers ecommerce capabilities for purchasing shipping cases online on the newly revamped website at www.PhillyCase.com. Philly Case is a leading case manufacturer offering ATA cases, tradeshow cases, poly cases, and shipping cases for plasma/LCD screens, graphics, sports equipment, tools and many more uses.

Philadelphia, PA ([PRWEB](#)) June 11, 2009 – Philly Case announces that customers can now purchase shipping cases online on the newly revamped website at www.PhillyCase.com. Philly Case now offers [ATA cases](#), [tradeshow cases](#), [lightweight poly cases](#) and many other shipping cases in stock sizes for online buying. Buyers can easily purchase standard-sized shipping cases or use the quote request forms to interact with Philly Case's experienced design team for [custom shipping cases](#).

Vinny Barbati, President of Philly Case Company, states, "The new website makes it even easier for customers to buy shipping cases from Philly Case. The online system allows customers to browse our entire shipping case product catalog and purchase cases conveniently. And for built-to-order custom shipping cases, the easy to use request quote form guides the customer to provide the information needed so that Philly Case can respond quickly. We specialize in customer service and are experts in building tough cases that protect your goods in transit."

Shipping Case Types and Uses

Philly Case offers an extensive range of shipping cases for many uses. With 80 years of experience in the shipping case business, Philly Case can provide expert guidance to customers to select the best case, whether it is a stock case or a built-to-specification case. Philly Case offers the following types of cases in various styles, materials, features and options:

- [Wooden ATA Cases](#) - in stock or custom sizes
- [Molded ATA Cases](#) - in a variety of stock sizes with various options
- [Tradeshow Cases](#) - many types of materials, stock or custom sizes, special applications such as graphics cases, shipping tubs and banner stand cases
- [Lightweight Poly \(Polyethylene\) Cases](#) - in stock or custom sizes
- [Roto-Molded Shipping Cases](#) - hard plastic cases in many stock sizes
- [Transit Cases](#) - ATA, Lightweight Poly, and Roto-Molded
- [Road Cases](#) - ATA cases for musical equipment, sports equipment, etc.
- [Flight Cases](#) - for air transport, in stock and custom sizes
- [Tool Cases](#) - lightweight molded plastic tool cases and military-ready molded plastic tool cases
