What Our Customers Say

"Thanks so much! We've ...been married 17 years, and we use that symbol of the double loops all the time... it was on our wedding cake, we sign our letters and emails with the double loops at the end. She is a Professional Wedding Photographer in Murrieta and saw this in a magazine, and loved it. I really appreciate it..."

News & Events

04-18-2009

As we prepare to turn up the marketing volume of The Bride's Pendant site, we encourage you to have a look and ask any questions you might have. Our shopping cart is fully functional and you are now able to buy Bride's Pendants for your bride.

Be sure to look at each collection in all of the different styles for diamonds that ranging from cute and cozy to jaw-dropping and dripping with dazzle.

Bride's Pendant's are not just for new brides. If your bride has been with you for one year or many, the Bride's Pendant makes a fantastic anniversary surprise. It beats the heck out of paper, lace, leather or any of those traditional "anniversary" gifts.
