Santa Clara, CA ([PRWEB](#)) June 24, 2009 – Ezega.com continues to serve the Ethiopian community as a one-stop source for [Ethiopian News](#), [Ethiopian Music](#), [Ethiopian Jobs](#), [Ethiopian Real Estate](#), Ethiopian Classifieds, Ethiopian Community, and much more. The site is one of the fastest growing sites in Ethiopia with more than 500,000 page views per month and growing. Hundreds of pieces of data and information are posted every day, covering Ethiopian news, entertainment, society, and business.

Ezega.com is a user-friendly, interactive site that lets users register and post data in a matter of minutes. In less than a year, thousands of users have registered and are enjoying Ezega services, including posting jobs and/or resumes at Ezega jobs, posting homes for sale and rent at Ezega Real Estate, advertising products and services at Ezega classifieds, and using entertainment and social networking at Ezega community.

Ezega News brings breaking news of interest to Ethiopians at home and abroad, covering breaking news, business, sports, entertainment, development, politics, etc. Latest news is posted throughout the day as it arrives. We cover all [Ethiopia News](#) as well as African and international news of relevance to Ethiopians. We present Ezega exclusive news stories regularly, including interviews with distinguished and/or unique personalities.

At Ezega Jobs, we post hundreds of current Ethiopian jobs everyday. Ezega Jobs is the largest database for [job vacancy in Ethiopia](#) anywhere. Companies can register for free at Ezega Jobs and create their profile. They can then post vacancies, screen resumes of potential candidates, invite potential candidates to apply for their openings, and coordinate pre- and post-interview activities. Likewise, job seekers can view latest job openings, save their favorite Ethiopian job vacancies, create multiple resumes, edit/activate/deactivate their resumes, and apply for their favorite jobs online. Ezega's Private Message Board (PMB) allows employers and jobs seekers to communicate online quickly and effectively. Our latest feature is the Job Email Alert feature, which allows all registered users to get email alerts whenever new jobs are posted in their respective areas.

Ezega Real Estate lists hundreds of [Ethiopian homes](#) and properties for sale or rent throughout Ethiopia. The [Ethiopia real estate](#) home page is divided into two sections. The first section displays the latest 10 properties for sale, and the second section displays the latest 10 properties for rent. For more complete listing of homes and properties for sale or rent in Ethiopia, one can click the Properties tab. This will list all of the properties in the database with the most recent ones listed first. Anyone can register

at Ezega.com and post properties for sale or rent free of charge. Ezega encourages users to include a few pictures of their properties so interested parties have a better idea of their listings. Users can browse our real estate database and search for properties using various filter parameters. Using Ezega's Private Message Board (PMB), registered users can communicate with property sellers/renters to get more details, arrange for site visits, etc.

Ezega Classifieds enables users to browse classifieds listings on various topics, including merchandize for sale or rent, service offerings, special event notices, entertainment leads, hotel and hospitality services, tenders, etc. Any registered user can post [Ethiopian classifieds](#) ads at Ezega.com. Users can bookmark an ad, forward ads to friends, or respond to ads online which will trigger email message to the person who posted the ad. The Location filter or switch allows users to display ads for a particular location only, such as all classifieds ads for [Addis Ababa Ethiopia](#) only. Ezega Classifieds also includes other search features that make it easy to find ads by location, type, dates and/or prices.

Ezega Community includes various tools for entertainment and social networking. It includes a very large collection of [Ethiopian videos](#), including videos for [Ethiopia music](#), comedy and drama. Anyone can view these videos anytime. Among other features, in Ethiopia Blogs, registered users can write blogs on various topics for which other community members can subscribe. Using the Events page, users can publicize their upcoming events. In the Links section, users can post links of their favorite sites. In Galleries, users can post pictures for public or private viewing. Using Greeting Cards, registered users can create and send ecards to their friends and loved ones. They can use forums and chats to discuss issues and communicate with one another. Users can search members using various filter parameters such as sex, age, etc., and invite people of interest to them to form friendships, groups, etc.

Ezega Shopping displays various merchandises for sale, including Ethiopian books, Ethiopian music, Ethiopian Videos, gift items, apparel, and electronics. Ezega.com provides these Ethiopia related merchandises in partnership with Amazon.com, the world's largest and one of the most price-competitive online retailers anywhere. Any items ordered will be shipped from Amazon.com directly and will reach the customer in a matter of days.
