**Janalent Honored  
as 2009 Microsoft Worldwide Partner of the Year for  
Unified Communications Solutions, Messaging**

**LAS VEGAS, NEVADA, USA — June 24, 2009** — Today, Janalent proudly announced it has won the 2009 Microsoft Worldwide Partner of the Year Award in Unified Communications Solutions, Messaging. The company was chosen out of an international field of top Microsoft partners as delivering market-leading customer solutions built on Microsoft technology.

“It is with tremendous pride in our Janalent team, that we accept this prestigious award from Microsoft,” said Anne Chahal, President and CEO of Janalent. “This past year has been extremely difficult for many businesses throughout the world, and this award represents the innovation, hard work, and dedication Janalent provides in the implementation and integration of Microsoft technologies to meet the growing needs of our customers. Receiving successive awards from Microsoft as last year’s 2008 Worldwide Partner of the Year Finalist for Advanced Infrastructure Solutions, and now winning the 2009 Worldwide Partner of the Year award for our Unified Communications Solutions, truly reinforces the strength of our relationship with Microsoft, as well as the experience, commitment, and value we provide our customers and partners each and every day.”

Awards will be presented in a number of categories at Microsoft’s Worldwide Partner Conference Awards next month, with winners chosen from a pool of over 2,000 entrants from over 30,000 Microsoft partners worldwide. Janalent was recognized for its superior solution combining business innovation, technical leadership, and customer value as a Unified Communications Solutions provider.

“Microsoft is proud to recognize Janalent as its Unified Communications Solutions, Messaging Partner of the Year,” said Ross Brown, Vice President, Solution Partners and ISVs, Microsoft Corp. “Janalent’s solution enables customers to leverage the virtualization, management, virus protection, and monitoring components of the Microsoft Server product line resulting in a reduction of costs, greater interoperability between systems, and predictive and proactive maintenance processes. Janalent has migrated thousands of mailboxes from competitive platforms to Microsoft Exchange and has helped customers save millions of dollars in license and maintenance cost.”

The Microsoft Worldwide Partner Conference Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the last year.
