**WEST PENN** ENERGY SERVICES, LLC

An NECI affiliated company

**Helping you achieve your drilling and production goals – 24/7/365**

Operating across the state of Pennsylvania, West Penn Energy Services is among the leaders providing support services to the oil and gas industry. West Penn applies innovative technologies coupled with twenty years of experience in the field to unearth and develop valuable energy resources.

## Services

Pipeline construction  
Welding / Fabrication  
Trucking / Rig moves  
Water hauling / Pumping  
Roustabout  
Frac tank rental  
Site prep / Excavation

## Making a difference. Responsible care.

The employees of West Penn Energy Services are committed to meeting the world's energy needs in a responsible manner. Our philosophy is simple – protect the environment through operational compliance and employ techniques for waste minimization. Protect the communities where we live and operate while assisting our clients in achieving their drilling and production goals.

## Well-equipped to meet your goals.

Like many other fields, the oil and gas industry is driven by its access to equipment and a dedicated staff of operational professionals to keep things moving. West Penn owns and operates an extensive fleet of equipment tailored to fit the industry's needs. A complete listing can be found by visiting our website at [www.westpennenergyservices.com](http://www.westpennenergyservices.com).
