**20/20 HR's mission is to help organizations maximize business results by strengthening their human resource practices. We specifically focus on small, emerging and mid-market companies.**

### **STRATEGIC AND BUSINESS PLANNING**

Our planning process provides the format to develop your company's mission, vision, and a specific plan of action. It helps determine not only where the organization is going but how the organization will get there. **20/20 HR** can help assess external market factors, set long-range goals and develop specific implementation plans. We have two specially designed processes:

- ◆ ENTREPRENEURIAL LEADERSHIP & STRATEGIC THINKING
- ◆ STRATEGIC AND BUSINESS PLANNING

### **HR CONSULTING**

The management of your staff requires a considerable investment of your time and money. Is your organization prepared to meet the competitive challenges ahead, and do you have the right people to help you achieve your business goals? **20/20 HR** is dedicated to helping your company achieve its results by providing tailored business consulting. We have helped clients in a number of key human resource areas including our specially designed **HR Essentials for Small Business packages** and providing assistance in **Recruitment, Compensation, Benefits, Training & Development, Individual & Group Assessments and HR Strategy.**

### **ORGANIZATIONAL DEVELOPMENT**

One of the most essential ingredients of a successful organization is a high performing workforce. Organizations that maximize their workforce productivity and performance achieve desired business results. We work closely with companies to customize programs that target improved individual and organizational performance. **20/20 HR** provides "results based" solutions in the following areas:

- ◆ EXECUTIVE LEADERSHIP
- ◆ MANAGEMENT DEVELOPMENT
- ◆ TEAM BUILDING
- ◆ SALES DEVELOPMENT
- ◆ CUSTOMER LOYALTY
- ◆ PROJECT & TIME MANAGEMENT
