

scanaroo 

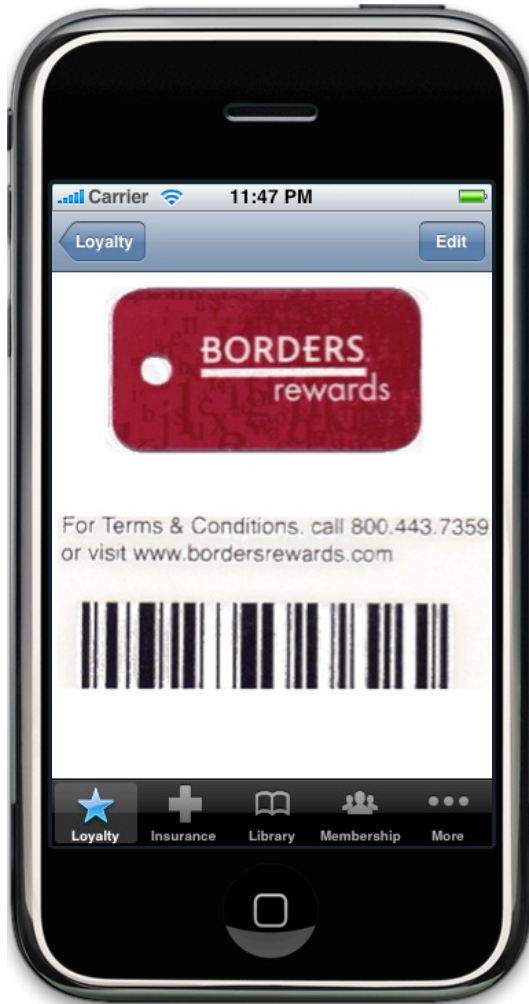

Simplify. Save. Share.

Scanaroo helps you use your iPhone to keep track of all your loyalty, insurance, library, membership and other cards.

It keeps all your information organized and at the ready to help serve you (instead of the other way around).

It even works with your cards that have bar codes.

An individual needs Scanaroo if he or she currently carries around:

- Loyalty cards
- Insurance cards
- Library cards
- Membership cards
- ...or other cards

What does Scanaroo do for you? It...

- Simplifies your life
- Saves you money
- Gives you more time to share with family and friends

Scanaroo costs just
ninety-nine cents.

...and is available now in the iTunes App Store.
