HOW WE HELP YOU

# FLIGHT ATTENDANT EXPRESS

"We are living in a world,  
where what we earn is a  
function of what we learn."  
- Bill Clinton

**WE ARE EXPERTS** because airlines like  
PSA have this to say about us:

"**Flight Attendant Express** has some of the  
best candidates and we have taken numerous  
folks to work for our company. With the number  
of **Flight Attendants** we need for our airline  
we look to the school for their assistance. The  
training staff knows exactly what they need to  
make it through **Flight Attendant** training with  
the airlines. They teach them not only about airline procedures, but also how to  
dress and act in an interview. Thank you to the staff of the school for caring enough  
to help these students get great jobs with the airline."

**WE ARE EXPERTS** because our students are now working for airlines like  
the following:

Air Wisconsin  
AirTran  
Alaska  
Allegiant  
American Eagle  
Atlantic Southeast  
Champion Air  
Chautauqua  
Colgan  
Comair  
Commair

Continental  
Delta  
Express Jet  
Freedom  
Horizon  
JetBlue  
Mesa  
Mesaba  
Miami Air  
North American  
Northwest

Omni International  
Pinnacle  
PSA  
Republic  
SkyWest  
Southwest  
Spirit  
Shuttle America  
United  
US Airways  
Virgin America

**WE ARE EXPERTS** because our program sets itself apart from others:

- We actually meet with you and provide you with the opportunity to interview directly with airline recruiters, some of whom come to our classes.
- All of our instructors are experienced **Flight Attendants**, not newly hired flight attendants or travel agents, like those of other programs.
- We actually meet, practice with you and video tape you in mock interviews.

There is no substitute for meeting in person with our experienced **Flight Attendant** coaches! Airlines contact us and they know that we actually meet with you, that you don't just take an online course or talk to brand new **Flight Attendants** on the phone! Interview in a small, intimate setting instead of a room full of competitors!

Our Past Students Are Living Their Dreams Everyday. Don't Wait On Yours!

"I have been hired by two major airlines and I owe it all to **Flight Attendant Express**. I took the seminar and they were very helpful in giving me all the pertinent information that was required."

**Margarita A Lavezzo**  
ATA

"I cannot thank you enough for the valuable training and knowledge I received from your training course. Thanks to you, Wendy, and your valuable seminar, I have been able to pursue and acquire my dream job as a **Flight Attendant** with a major airline. I interviewed with **Jetblue Airways** March 18, 2004 and started my training on April 14, 2004!! I have been happily flying ever since. I love this job. It is the best job in the world! Thanks to you, I became the **Flight Attendant** that I had always dreamed about being. Hopefully, soon I will be flying with other new **Flight Attendants** that have traveled through your course. Thanks again."

**Gail Bohannon**  
JetBlue Airways Corporation

"I would highly recommend for all future **Flight Attendants** to take the **Flight Attendant Express** course. The reason is straightforward; you have a competitive edge on the recruitment process. When an open house attracts over 250 applicants and only 25 openings, where do you fit in? I have attended many open houses where an overwhelming amount of furloughed flight attendants and applicants with no experience at all are competing for the same job. Wendy Stafford assesses your strengths and weaknesses and builds your interviewing skills to ensure you have prerequisites for what those recruiters are looking in a candidate. It is also imperative that this course goes above and beyond any book published out there. The ingredient is in the human interface and visual perception that the course provides. That is worth the investment in your future career, for a job you will love to come to work for everyday!"
