## **Terrell & Terrell, CPAs, LLP Announces Membership in the Sage HR Community Program**

*Clients have access to valuable tools and resources to reduce HR costs and regulatory exposure*

**Dallas, TX – August 14, 2009** – Terrell & Terrell CPAs, LLP, a leading professional services firm specializing in Sage Accpac ERP, is pleased to announce their membership in Sage’s HR Community Program. The program enables Terrell & Terrell’s clients to access valuable online tools and resources.

The Sage HR Community program was designed in response to several factors. The economy has forced businesses to reduce costs while considering new HR regulations. The American Recovery and Reinvestment Act is bringing changes to COBRA and income tax credits; the Lilly Ledbetter Fair Pay Act has been passed; and there have been recent changes to FMLA requirements.

Clients of Terrell & Terrell are eligible to participate in the Sage HR Community. As a participant, clients can benefit from a free subscription to the Sage HR Compliance Center. The Compliance Center features online resources for regulatory compliance, HR policy handbooks and forms, as well as examples of HR best practices. A database of Federal and State laws affecting businesses also is accessible.

“We are pleased that Sage has created this comprehensive online resource for our clients,” said Brian Terrell, CPA and managing partner of Terrell & Terrell. “Our clients are focused on running the day-to-day operations of their business. We want to help them save time and resources. The Sage HR Community is a great example of that.”

Clients are invited to participate in an informational Webcast on August 26, 2009 to learn about more the Sage HR Community. For Webcast details or more information on Sage Accpac HRMS or Sage Abra HRMS, please contact Terrell & Terrell.
