#### Why Buy From Great Lakes Computer?

With well in excess of \$1 billion in technology sales we are one of the largest; most trusted and established resellers of new and refurbished computer equipment in the country. Great Lakes Computer is a very unique stocking distributor and enterprise level systems integrator. From 10 year old parts to bleeding edge technology, Great Lakes Computer can and will deliver. Our extensive worldwide network of trading partners allows us to locate virtually any part in the world and have it delivered to you in matter of a few days. Our mission is to secure IBM, HP, Sun, and Cisco equipment at the lowest possible price and pass those savings on to you. Whether you're looking for extended terms, inventory held without a purchase order, same day shipping, we're here to make your experience with us as easy and flexible as possible.

#### Get Cash For Used Equipment

If your company is going through a server consolidation or a technology refresh, explore your options to generate cash from your surplus or decommissioned IT equipment.
