## Master Distiller Germán González Forges New Ultra-Premium Tequila – t1, Tequila Uno

TEQUILA.net (June 2009) – Through the historic and practical knowledge of Master Distiller Germán González Gorrochotegui, with over 20 years experience producing the most exquisite Tequilas in the industry, his new masterpiece, **t1 – Tequila Uno** exhibits the rich tradition and passion expected by aficionados and connoisseurs worldwide.

Master Distiller Germán González G. has forged his new Ultra-Premium, 100% Agave Tequila, named **t1 – Tequila Uno**, as a continuation of his pride and family tradition in decades of Tequila production. Already available in Mexico, the first two products from **t1 – Tequila Uno** will reach the US market and begin distribution in Texas and California late September, 2009. Each product is bottled in two presentations, a limited edition / luxurious “Agave Tear” crystal decanter and top, and a less expensive glass bottle of similar design.

**t1 – Tequila Uno** is an authentic, all-natural, estate-grown premium Tequila, made from 100% Blue Agave in Tequila, Jalisco, the heart of Mexico’s Tequila region. Throughout the entire production process, **t1 – Tequila Uno** maintains exceptional standards of quality and consistency, promising one of the finest spirits in the world. German’s experience and precision of each step throughout the production process is how he has perfected t1 – Tequila Uno.

**t1 Tequila Blanco** Extra Pure – 100% Agave - Crystal clear with unique aromas of pear, quince, dill and lime, followed by smooth, fresh Agave flavors. This Blanco Tequila is wonderful served neat, on the rocks, with a twist of lime, or as a compliment to your favorite mixed cocktails.

**t1 Tequila Reposado** Exceptional – 100% Agave, rested 6 months in used American oak barrels – Light golden, with unique aromas of spiced citrus, apple and peach, followed by spiced Agave flavors. This Reposado is the perfect blend of Agave and wood, and is best enjoyed neat, on the rocks, or in premium cocktails.

Additional **t1** products will include an Anejo, Extra Anejo, and a Single Barrel Extra Anejo.

Germán González is the great grandson of General Manuel González, former President of Mexico between 1880 – 1884. Guillermo González Diaz-Lombardo, was founder of Tequileria la Gonzaleña. Germán began working in the Tequileria la Gonzaleña distillery at a very early age, taking full responsibility upon the death of his father. As a Master Distiller, German's award-winning Tequila has received countless accolades, including:

- Rob Repport Best of the Best in 2005 and 2007
- The NYTimes "*It was, simply, a benchmark tequila*" in 2003 and 2006
- Vouge Magazine, #1 Blanco Tequila in 2006
