Philadelphia, PA (PRWEB) – August 24, 2009 - [Drexel University Online](#), a leader in online degree programs, has added a new program to its offerings, the online Graduate Certificate in Homeland Security Management from Drexel's Goodwin College of Professional Studies.

Drexel's online [Graduate Certificate in Homeland Security Management](#) seeks to produce professionals practicing in the defense and security of the homeland in both the public and private sectors. This certificate provides, in a concentrated format, the most contemporary knowledge and skills needed in this important area for students who do not wish to pursue a master's degree, but who would value a credential that demonstrates their learning.
