SURFACE REFINISHING

KITCHEN & BATH SURFACE REFINISHING *at its finest!*

Now, you can transform your tired kitchen and bathroom surfaces to the look & style you've always wanted – at a

fraction of the cost of replacement!

REFINISHING SAVES MONEY AND STRESS!

A contractor, demolition, removal, new tile, plumbing... the cost of replacement can quickly go through the roof. With refinishing, you are repairing and resurfacing your existing kitchen and bath surfaces – sometimes saving you as much as 75% over replacement.

REFINISHING SAVES YOU TIME

In most cases, you'll be using your refinished bathtub, shower and countertops in less than 48 hours.

REFINISHING IS DURABLE

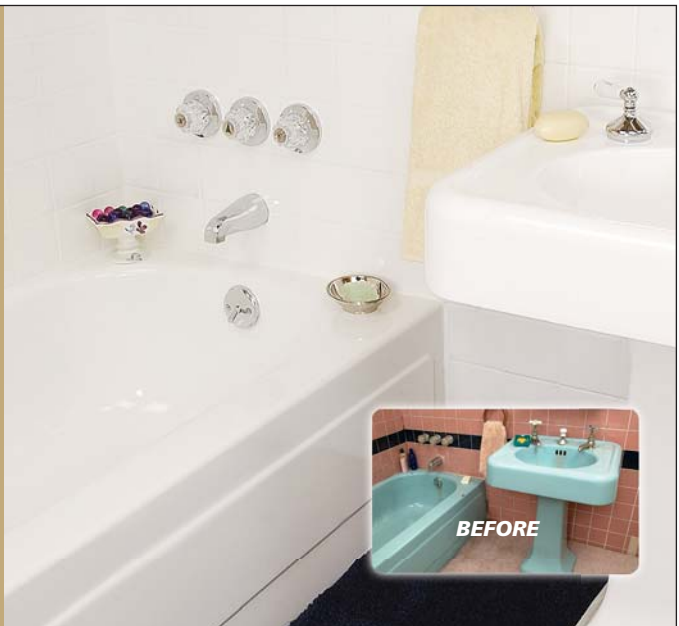

Refinishing can extend the useful life of your fixtures for up to 15 years or more.

REFINISHING IS BEAUTIFUL

Our selection of colors and textures gives you a number of makeover options to affordably update your bathroom fixtures and kitchen countertops!

REFINISHING IS RESTORING, NOT COVERING UP

Unlike plastic liners, refinishing restores your existing surfaces. With refinishing, there's no worry about leaks or mold.

DON'T REPLACE, Refinish!
