

Microsoft Certified Partner Business Solutions

Staff of Professionals

Our staff includes CPA's, accountants and software professionals with real business experience.

Experience

We have well over three decades of academic and practical experience in such areas as network management, business software installation and implementation as well as general accounting practices.

Training

We offer training at your location or in our on-site training center, and our hands-on approach will get your organization up and running quickly.

Value

You will benefit from our experience as we share tips and tricks that we learned in the real world, saving you time and reducing your learning curve.

Product Offering

Massey Consulting is the leading provider of Microsoft Business Solutions including Microsoft Dynamics GP and CRM.

"Massey Consulting's level of customer commitment is unmatched. They have been happy to work with us on issues that other consulting firms would not. Their customer service is outstanding"

John Sook

Massey Consulting, Inc.

Partnership. It isn't just a buzzword.

At Massey Consulting, we take partnership seriously. We are committed to enhancing the productivity and profitability of our clients' businesses. We provide unparalleled expertise and best practices in top accounting, ERP, CRM, HR and Business Management software applications.

Our consultants boast a wealth of practical field experience gained as controllers, accountants and information system professionals in a wide range of business environments. We are recognized experts in each of the financial software solutions we offer.

As a leading provider of accounting and business management software solutions to small and mid-sized businesses, we take pride in providing a high level of consistent, reliable customer service, support and an unwavering commitment to excellence.

Massey Consulting, Inc. a Raleigh, NC based VAR, specializes in Accounting Software implementations, and maintains a range of business and resource management software. The software solutions we provide help our clients automate and integrate areas such as finance, customer service, human resources, fund accounting, project accounting, and internet technologies in their company.

As a Value Added Reseller (VAR) for Microsoft Business Solutions and many of the associated Integrated Solution Vendors (ISV), we represent the "best of breed" Great Plains, Small Business Financials and Microsoft Customer Relationship Management (CRM) products.

Our services include the following:

- Microsoft Business Solutions Implementations
- Business Needs Analysis
- Software Selection Assistance
- Project Management
- IT Strategic Planning
- Remote Product Support
