

ABOUT APERTURE ACADEMY™

Aperture Academy™ is a unique combination of fine art photography gallery and state-of-the-art teaching facility featuring classroom and in-field workshop instruction. Our brand new facility provides individual workstations outfitted with the latest software and hardware for Mac and PC platforms.

CLASSROOM COURSES

At Aperture Academy™ you will find a fun, interactive environment for learning everything related to digital photography. Whether you are a beginner, or an advanced photographer looking to polish existing skills, you will receive the best hands-on instruction in the industry.

Download and Share Photos - Learn how to download images from your camera and make easy adjustments that make your photographs come alive! Then, build an online photo gallery to share with friends and family.

Adobe® Photoshop® for Photography - We offer classes for every skill level from introductory to advanced hands-on classroom instruction.

Adobe® Lightroom® Workflow - Learn the latest digital photography workflow techniques and how to get the most out of your images.

Lifestyle Shoot + Photoshop® - This course starts with a 2-hour fashion shoot followed by in-depth Photoshop instruction to achieve maximum results from your images.

APERTURE ACADEMY™ GALLERY

The Aperture Academy gallery features the work of professional photographer Stephen W. Oachs, whose work has graced the pages of *National Geographic*, *The Smithsonian*, *Popular Photography*, *Outdoor Photographer*, *National Wildlife Magazine* and many others.
