

# Reporting New Realities in Asia and the Pacific

East-West Center  
International Media Conference

April 25-28, 2010  
Hong Kong

[EastWestCenter.org/mediaconference](http://EastWestCenter.org/mediaconference)

**East-West Center  
Asia Pacific Center for Journalists  
2010 International Media Conference**

**New Realities:** The Asia Pacific region is facing new realities in economics, security, climate change, health, and media in light of the global economic crisis and new political relationships. This conference will provide on-the-ground updates on news and media issues in the world's most dynamic region through keynote speakers, panels of journalists and experts, and media workshops.

**Media Connections:** Build new networks among an anticipated 200 journalists and other professionals from the United States and countries throughout Asia and the Pacific.

**Be a panelist!** Please visit our website.

**Sign up** for a pre-conference newsgathering trip in Southern China. See website for details and fees.

**Conference Registration Fees:**

US\$175 by January 31, 2010  
US\$225 starting February 1, 2010
