## Lip Balms

Mountain Sky Love Thy Lips Balms are super creamy lip protectors made with all natural ingredients to protect your sensitive lips, and can even be used to moisturize dry skin spots. Love Thy Lips Balms are soothing and moisturizing for those active people on the go.

We add the following ingredients that we believe can naturally protect your lips from harsh environmental exposures.

Meadowfoam oil revitalizes dry and chapped lips. Known to retain the skin's moisture.

Beeswax has soothing and protective properties.

Shea Butter is extremely emollient and protects the skin from UV rays.

Hemp Oil is rich in omega 3 and omega 6 essential fatty acids.

Jojoba Oil is a liquid wax. It closely resembles the sebum of the skin.

Vitamin E helps to protect and soothe the skin from UV damage.

Castor Oil offers anti-inflammatory properties and helps with chapped lips and burns.

Almond Oil is rich in proteins and Vitamin D, and is considered extremely nourishing and moisturizing. It can be expected to sooth dry skin and irritated areas.
