CHANGE

*“For time and the world do not stand still.
Change is the law of life. And those who look only to the past
or the present are certain to miss the future.”*

- John F. Kennedy

Affordable: ZGM's Cost for 1 year is less than the cost of 1 physical Trade Show Exhibition or Attendance. ZGM is a membership site with no percentage of sales fees.

Exclusive: Each exhibitor has a professional numbered booth with social media features, mood shot of line/factory/service, personal photo of exhibitor, description of line/manufacturing/sourcing/service, full contact information, email, video of line/factory/service and **video conference feature for that important “Face to Face”**.

Control: Pre-Screened Exhibitors and Attendees handle their own transactions from wherever and whenever they want.

Code of Ethics: Exhibitors can't see each other's lines.

Exposure: Worldwide, 365 days, 24/7.

Quality: Professional mood shots, photos with models only with ability to see details, not an off-price, close-out, liquidation site.

Community: A place to mentor, promote, share, and foster new talent.

Resources: Links to important publications, associations, and more.

The high cost of exhibiting and attending trade shows has created the need for a better way to bring designers, manufacturers, wholesalers, sourcing companies, service providers, reps, and retailers together.
