National College in Liberty to Host Career Fair October 27

Free admittance for both job seekers and employers

LIBERTY—The Youngstown Campus of National College (3487 Belmont Avenue; www.national-college.edu) is hosting a Career Fair at the campus on Tuesday, October 27 from 10 AM to 5 PM. The event is open to the public and free of charge for both job seekers and prospective employers.

Job seekers are encouraged to attend and meet with employers from across the region to discuss available career opportunities. “We want the community to know that this career fair is not only for National College students, but that everyone is welcome,” said Campus Director Timothy Philibin.

Prospective employers are also encouraged to attend the fair to connect with our upcoming graduates and members of the general public and discuss the benefits of a career with your organization. Tables, chairs, and lunch will be provided to employer representatives attending the job fair. For more information on exhibiting your organization’s employment opportunities, contact Career Center Director Jamie Jackson at 330-759-0205, ext. 323 or jjackson@national-college.edu.

Founded in 1886, National College is dedicated to the training and education of men and women for a full life and a successful career in a number of fields in business, computers, and health care. The Youngstown Campus offers nine associate degree and six diploma programs to more than 800 students. Meeting the workforce needs of 25 communities through campus locations in Virginia, Tennessee, Kentucky, Ohio, and Indiana, National College serves more than 10,000 students annually.
