

Photograph and Video Yourself Anywhere!

You deserve to be in the picture too!

xshot™ iPhone Case with built-in tripod adapter

The XShot iPhone Case has it all:

- Perfectly fits the iPhone 3G and 3GS
- Features a universal tripod mount to help you take great pictures and videos.
- All in 1: No need for any extra clip or suction cup
- Put yourself in the frame when used with the XShot

How to use it:

- Simply attach the iPhone Case to your Xshot or any tripod or monopod
- With the XShot: extend, aim and capture* great pictures and videos.

*Recommend using any of the self-timer apps from the App Store for picture taking.
