NEW WEBSITE CONNECTS LOCAL PUBLIC SPEAKERS AND ORGANIZATIONS FOR FREE

Boca Raton, Florida – A new website, FreeSpeakerMatch.com allows local non-profits and associations the opportunity to find free speakers for their meetings and conferences at absolutely no cost to their organizations. Freespeakersmatch.com matches local professionals with those organizations. Comments from Mandy Bass, a professional business coach and national and international speaker who founded the website.

Intro: A new free, website, Freespeakersmatch.com, allows local non-profits and associations the opportunity to find free speakers for meetings and events. Mandy Bass, a professional business coach and international speaker founded the website. She says, through fourteen years of experience, she saw a need that was not being filled...

Cut 11161 :15 *“Finding a good keynote speaker who will speak to members for free is usually a difficult job for most program chairs. These organizations simply do not have a budget to hire professional speakers on a regular basis.”*

Tag: For a limited time, lifetime membership at the website, Freespeakersmatch.com, is also completely free for both associations and businesses and also for the professional who wishes to speak and do presentations for free.

Second Cut: Bass says that finding quality speakers is difficult enough, but finding ones who will speak for free for associations on limited budgets is next to impossible...

Cut 12161 :21 *“The fact is that there are plenty of pro presenters who will gladly speak to a targeted audience for the benefits of visibility, positioning and publicity. Connecting these two groups, the organizations and the high quality pro presenters is the reason I created freespeakersmatch.com.”*

Third Cut: Bass says membership at the website is growing everyday which allows a increases the number of professional speakers to choose from....

Cut 13161 :23 *“We have a great variety of pro presenters and keynote speakers on the site; ranging from medical professionals who speak on healthcare to career coaches, social media consultants, financial planners, bankruptcy lawyers, parenting coaches and even a scuba diver who talks on environmental issues impacting South Florida’s coastline.”*

Fourth Cut: Bass says that finding speakers before Freespeakersmatch.com meant going through a speakers bureau who works as a booking agent....

Cut 14161 :28 *“Typically, a speakers bureau makes a commission from booking the conference speaker, the motivational, inspirational speaker who can speak to large audiences. They really have no incentive to book a free speaker for a local bar association event. But the professional business coach who is an*

excellent inspirational speaker would love the opportunity to get in front of that highly affluent group and show them their stuff."
