

Superior Design & Performance • Outstanding Value & Versatility

Our new high-heat *Expressions*[®] containers bring operator solutions and consumer convenience straight to your customer's table.

- *Microwave, heat lamp and freezer safe.*
- *Safe up to 250°F.*
- *Bases made with InnoWare's unique Advanta™ material.*
 - ✓ *Makes containers stronger*
 - ✓ *Keeps food warmer longer*
 - ✓ *Uses 30% less plastic than standard polypropylene*
- *Recyclable #5 and reusable.*
- *Straight-to-the-table design.*
- *Clear PETE lid options for superior merchandising.*

6 Steps to Success

1 CREATION

- Bases made using 30% less plastic than traditional polypropylene.

Our Advanta™ material offers operational and consumer benefits designed to help you succeed.

6 ENVIRONMENT

- Wash and reuse over and over again.
- Recyclable #5.

2 PREPARATION

- Ideal for grab & go, heat & eat, and take-home applications no matter food type or temperature.
- Cases are lightweight and easy to handle.
- Snap closures increase operational speed.
- Mix & match lids reduce SKUs.

3 PRESENTATION

- Trendy, reusable containers increase customer appeal.
- Variety of lid materials to fit your temperature and merchandising needs.
- See-through lids enhance consumer confidence and reduce order errors.

4 TRANSPORTATION

- Extremely durable, cut and crush resistant.
- Secure seal prevents leaks and migration between compartments.
- Stackable design saves take-out bags, counter and shelf space.

5 EXPERIENCE

- Microwave safe and reusable.
- 2-piece, plate-like design inspired by trendy chinaware.
- Insulation properties of the Advanta™ blend maintain food temperature and quality.
- Customizable to enhance brand recognition.
